

PRELIMINARY CRAZY QUILTERS 2015 QUILT SHOW ENTRIES

To help in planning for our quilt show, we need your help. As soon as possible, please indicate the number and size of quilts, if any, which you plan to enter in the categories listed below. This number should include those quilts you have already completed and those you plan to complete in the next few months. This is not the actual entry form, but gives the planning committee an idea as to how much space we need to allot for displaying our quilts. At this point, we are limiting each member to 3 quilts; this may change depending on the response from guild members. Consider entering your finished Block in a Box quilts, antique quilts for the bed turning, the color card challenge, and the quilt show challenge. Thanks
